Summary

Scope: readiness assessment against the ISO 9001:2015 clause structure (27 linkable clauses).

Coverage: 23 of 27 clauses have evidenced sections (85%).

Open gaps: 1. Uncovered clauses: 3.

Stale checks: 0 link(s) carry status "stale"; last-verified dates for every link appear in the matrix above.

This pack is a readiness assessment against the ISO 9001:2015 clause structure only. It is not an audit, it grants no formal standing, and no external body has reviewed it. The clause list uses official identifiers and titles plus Northgate's own expectations; verification quality depends on the model tier behind the session, and gaps can be false positives until a human reviews them.
